Mansfield Foodbank: Thank you to everyone who continues to support us! The extra thick socks were so welcomed by many rough sleepers! The horrible weather just seems to add to their situation! The Winter night shelters are opening in December, remaining open until March. However, support is still very much needed throughout the day for food and a little respite from many of the complex issues people may be experiencing! Please, if you are aware of any individuals or families who may be struggling, signpost them to us at The Stanhope Centre on Wed 12.30-2.30pm. We are already seeing people who are struggling, due to the added pressure of Christmas. Everyone is welcomed and supported and may receive information they may be unaware of regarding added help. Thanks again to you all. Love Lu.

Outside the City: Mount St Bernard Abbey (Leicestershire) Documentary: If you're interested in deeper questions about the human experience, if you want to know what it means to give up everything in search of something, then you'll love "Outside the city". www.outsidethecityfilm.com

Parents will need to attend both sessions and then pop into the parish office to complete the form and book the Baptism date. For our other three Churches please also speak with the priest.
