GENERAL NOTICES

Mansfield Food bank: I would like to express my gratitude on behalf of Mansfield Foodbank and especially those who have benefited from your donations. That being said we are now operating a somewhat reduced service providing packed lunches and emergency food parcels to those struggling from benefit delays etc. We are unclear currently how the situation is going to develop, particularly through loss of income possibly when the furlough scheme comes to an end. We are therefore asking for your continued support in providing in date items of tinned hot meats, vegetables including potatoes, fruit, rice pudding, cereals, cold meat, fish, pasta sauces and toiletries are always in demand. Targeted items such as those above enable an individual family to produce some sort of meal. Baked beans, spaghetti and soup are also of use. On a positive note, many rough sleepers have been housed and are receiving some support, but find it difficult to manage and we are seeing people struggling for a period of time. A bag of food items will often get them through a week due to benefit delays or there is crisis before their next payment may be due. Thank you and take care. Lu.

Fr Jonathan: Will be leaving the parish on Thursday 17th September, he will be greatly missed after 2 years of great service in our parishes. If you would like to contribute towards Fr Jonathan's leaving gift please let us have an envelope for Fr Jonathan's gift in either collection box at church or drop off at the Presbytery. With thanks Fr John

Fr Paul Smith: Will be joining us on Monday 21st September and we look forward to his arrival.

COVID REGULATIONS

Please be aware the new regulations announced this week do not relate to church services Please continue to book for Mass using the Diocesan booking service. Life-cycle ceremonies namely baptisms, weddings and funerals will be limited as before to 30 people.

BOOK FOR MASS - WWW.MASSBOOKING.UK

Social distancing requirements mean we can only have a limited number of people in church at any one time, and we must keep a record for 21 days of who has been at each Mass for track and test purposes. We are using the diocesan booking system on www.massbooking.uk to pre-book our places at Mass. Remember, there is still no obligation to attend Mass on Sundays.

ST JOSEPH

Due to the pandemic naturally health and safety has been at the forefront of our minds in planning for the ongoing safe use of our churches. A concern having been raised that St Joseph's has only one means of exit in event of a fire we were encouraged to invite the comment of the Fire Safety Inspecting Officer from Derbyshire Fire and Rescue Authority. His assessment was that St Joseph's requires another means of egress in order to conform with current fire regulations, particularly in light of the situating of the kitchen next to the only exit. Upon receiving this report the diocese contracted an independent Risk Assessor to make an appraisal of St Joseph's. The findings of that report are manifold, but suffice to say that the building contravenes the 2005 Regulatory Reform (Fire Safety) Order and its use must now necessarily be extremely limited until it is brought into conformance with the law. We now begin a discussion with the diocese with regard to undertaking these necessary works ahead of the re-opening of St Joseph's for public worship. We will keep you updated as things progress.

ST PHILIP NERI

Open for Mass: To book a pew for Mass at St Philip Neri please visit the diocesan booking website, www.massbooking.uk. If you're struggling contact the parish office and Catherine will be able to help you make your booking. Booking at St Philip Neri is by pew, rather than individual. You are not booking your place but booking a pew in your name for your whole household. On the diocesan booking system you will be presented with two options, either to book a 'family pew' or an 'individual place.' Please note that each books a pew, large or small depending on the choice, so book according to the space you need rather than the number of individuals coming.

A 'family pew' at St Philip's will accommodate a household of up to 8 people comfortably, an 'individual space' will accommodate a household of up to two people. Please don't hesitate to be in touch if you have any questions. The important thing to note is that each booking represents a pew. Unless you are booking for multiple households there should be no need to enter any number other than '1' when booking.

ST TERESA

Open for Mass: We are delighted to announce that St Teresa's is now opened for Mass at 10.00am each Sunday. To book a pew for Mass at St Teresa please visit the diocesan booking website, www.massbooking.uk. If you're struggling contact the parish office and Catherine will be able to help you make your booking. On the diocesan booking system you will be presented with two options, either to book a 'family pew' or an 'individual place.'

A 'family pew' at St Teresa's will accommodate a household of up to 4 people comfortably, an 'individual space' will accommodate 1 individual. Please don't hesitate to be in touch if you have any questions.
