“Life-cycle ceremonies:” We are now able to celebrate Baptisms, Weddings and Funerals in church, all be it in a limited way. From the 28th September the number of mourners at a funeral will remain at 30, weddings will be reduced to 15, and Baptisms to 6. For the celebration of Baptism this effectively means only parents and Godparents will be able to attend.

Update on Covid-19 and Vaccination: In September 2020 the Bishops' Conference of England and Wales issued a statement [COVID-19 and Vaccination](#) (24 September 2020). In the light of the recent breakthrough in vaccine development they have now issued a follow up statement (3rd December 2020) which can be found on the CBCEW website along with the original September statement. The Bishop would be grateful please if you would circulate this information to your parishioners and include the link to this information to be found on the CBCEW website, and make mention of this please in your Parish Newsletters and Websites. Can you help? There are a shortage of Polish Stem Cell Donors and people waiting for your help, particularly bone marrow donors in our local area We have someone in our own parish community who could directly benefit from your registration.
