GENERAL NOTICES

Social Distancing in Our Churches:

Following consultation with Parish Councils and Core Groups, we have come to the following decisions: Our churches will continue to be socially distanced.

Masks will continue to be worn in church. We will continue to use the Diocesan booking system. Our attendance at life-cycle ceremonies will continue to be by family invitation only and be limited to the socially distanced capacity of our churches.

The reception of Holy Communion has returned to its rightful place within the Mass, and takes place with the assistance of our stewards and our Eucharistic Ministers, who have returned to service in the sanctuary. Our next review will take place in November. Thanks, as always to all our stewards for keeping us safe at Mass. Fr John

JOURNEY TO THE SYNOD 2023

Many thanks for your participation in the first part of the process for the Synod. The response has been excellent.

If you haven't returned your card, there is still time - we do want to hear your voice. The very latest date to return them to St Philip's parish office is by Friday 5th November.

We will collate the responses and these will be shared with you in a couple of weeks so that you know what, as a community, are our dreams and what we feel we should be doing in order to make the dreams a reality.

LAUDATO SI

Ideas for November

- Plant a tree in your garden, school, church
- Donate to National Trust or the Woodland Trust for a tree to be planted in your name

Use less energy

- Slow down, driving at 50mph uses 25% less energy than driving at 70mph
- Walk or cycle more, uses the car less
- Don't iron clothes, put them in the tumble drier for a short time, until they are just warm, take them out, give them a shake and hang them on a hanger to dry. The creases drop out by magic! • Turn off the lights when you leave a room
- Turn off the outside lights during the day and late at night.
- Close the curtains at night or on hot days • Reduce draughts
- Close the windows • Turn the heat down and put extra clothes on
- Only put the amount of water you need in the kettle

Use green energy

- Consider having solar panels • Change to a green energy supplier

Mass will then continue to be celebrated on the First Friday of every month at 10.00am. We offer our thanks to the Rev Rachel Gouldthorpe, Vicar of Bolsover and to the Parish Council of St Mary and St Laurence for their generosity.
