GENERAL NOTICES

Social Distancing in Our Churches:

Following consultation with Parish Councils and Core Groups, we have come to the following decisions: From Wednesday 17th November, instead of booking an individual place or family pew you will be asked to book the number of seats you require for yourself or your family. Our churches will continue to be socially distanced.

Masks will continue to be worn in church. We will continue to use the Diocesan booking system. Our attendance at life-cycle ceremonies will continue to be by family invitation only and be limited to the socially distanced capacity of our churches.

The reception of Holy Communion has returned to its rightful place within the Mass, and takes place with the assistance of our stewards and our Eucharistic Ministers, who have returned to service in the sanctuary. Our next review will take place in December. Thanks, as always to all our stewards for keeping us safe at Mass. Fr John

Ideas for November

- Plant a tree in your garden, school, church
- Donate to National Trust or the Woodland Trust for a tree to be planted in your name

Use less energy

- Slow down, driving at 50mph uses 25% less energy than driving at 70mph
- Walk or cycle more, uses the car less • Don't iron clothes, put them in the tumble drier for a short time, until they are just warm take them out, give them a shake and hang them on a hanger to dry. The creases drop out by magic! • Turn off the lights when you leave a room
- Turn off the outside lights during the day and late at night.
- Close the curtains at night or on hot days • Reduce draughts
- Close the windows • Turn the heat down and put extra clothes on
- Only put the amount of water you need in the kettle

Use green energy

- Consider having solar panels • Change to a green energy supplier
